Oliver Mid Century Floor Lamp, US

A sleek option for your living space, the Oliver mid-century floor lamp is designed with a cast antique solid brass base, also known as raw or uncoated brass. Ours is brushed to give the lamp its antique aesthetic, and is left without a protective coating. It therefore ages over time and develops a beautiful patina that adds character to new and old homes alike. Recalling the retro lights seen at White City House, this floor lamp also has a powder-coated black metal shade, which can be angled to create directional light in the home.
