Taking its cues from 180 House, the Joni Arc floor lamp is a great option for large living spaces. Anchored by a honed Italian marble base, it has an elongated, arched frame in solid brass and ascends into a smoked amber globe. Also known as raw or uncoated brass, ours is brushed to give the lamp its antique aesthetic, and is left without a protective coating. It therefore ages over time and develops a beautiful patina that adds character to new and old homes alike.
