~~\$85~~ \$40 Regular price

Serve your favourite reds the Soho way with our Pembroke stemless red wine glass set, used across all our Soho Houses. Crafted in Poland, Eastern European glass is known for its brilliant clarity and our Pembroke glassware is no exception. Each single piece touches several pair of hands during the creative process, including a master glassblower who oversees the entire production. Accented with soft, scalloped detail, this optic decoration echoes the glassware used in our first House at 40 Greek Street.
