Alesia Highball Amber, Set of Four

~~\$70~~ \$35 Regular price

~~\$60~~ \$28 Member price

The Alesia glassware collection lends a vintage-inspired aesthetic to any tablescape. Mouth blown to create the exaggerated optic detail, our set of four Alesia highball tumblers are ideal for serving a long refreshing drink. A straight-sided handcrafted optic pattern nods to 1950s brutalist architecture, whilst the deep amber colouring accentuates the mid-century aesthetic. The perfect addition for entertaining as well as casual dining.
