## Dante Side Table, Dark Emperador Marble

**\$1,495** Regular price

**\$1,271** Member price

Mid-tone ash wood creates an octagonal silhouette that's characterised by rows of indented squares for a geometric finish.

Taking cues from the design of White City House, the Dante side table brings together a mix of finishes and textures. Crafted from a mid-tone ash wood, its geometric base is complemented by a Dark Emperador marble top sourced from Spain.
