Bayonne Rug, 170 x 240cm

\$1,495 Regular price

The decorative border details of our Bayonne rug is inspired by French rugs from the 1920s Art Deco movement. Hand-tufted in India, this particular design has been crafted using natural fibres. These give a subtle silk-like sheen and reflect the light, adding depth to your interiors, as well as a supreme softness underfoot. Complement the sage colouring with wood furniture pieces in the living room, hallway or dining room.
