### Product details

The Dawson side table is our new way of showcasing burl in the home. Inspired by Soho House Paris and the classic aesthetic seen in every room, the plinth-style design displays large, open swirl patterns of ash burl to bring warmth and depth to any interior scheme. Solid lip detail and V grooving around the perimeter softens interiors with a high-gloss lacquer finish for lustrous shine. Foot glides subtly raise this coffee table off the floor to create an instant focal point in the room. Each of these tables has natural variations in the wood, making each piece unique.

## Details

Assembly required: No

Care instructions: For general cleaning, wipe with a damp soft clean cloth. Ensure the cloth is damp, not soaking wet and wipe in down strokes not

circular motions. Avoid abrasive cleaners such as bleach-based

products or steel wool as this will damage the lacquer finish.

Observe regular dusting with a dry clean soft cloth to prevent

build up. To prevent damage, keep your table dry, and do not place

hot pans, plates or mugs directly onto the table; instead use

placemats and coasters. Avoid placing heavy items directly onto the

table and use rubber mats or feet to prevent scratching.
