Available in three curated colours, this pair of curtains is crafted in the UK from a rich cotton velvet designed to match back to our made-to-order upholstery palette.

Inspired by the drapery in Soho House Paris, our Margeaux curtains are fully lined and finished with pom-pom trimmed detailing. An adjustable pencil pleat header allows them to be hung from either a track or pole to suit your space.

Care instructions: Regularly dust with a soft brush in the direction of the pile. Read more on keeping velvet looking its best in our guide. Detailed instructions are included in your curtains' packaging. Once unpacked and hung, we recommend having your curtains lightly steamed by a professional cleaner. Leave them fully drawn to let the fabric pile relax.
