Product details

Made from Italian-sourced marble, the top of this vanity is distinguished by beige, tan and grey tones swirling across a cream background. Sourced from Italy, the unique nature of Royal Diana marble that creates the top of the Harrison two-drawer vanity means that no two pieces are the same. You may even find occasional ivory and quartz veining across its surface.

Care instructions: To keep your vanity unit in the best condition, we advise the

following suggestions. Although our vanity tops are hardwearing,

prevent placing sharp objects or excessive heat on the surface as

this will cause irreversible damage. Care should also be taken not

to drop any heavy objects onto the top as the surface may crack.

For general cleaning, use a damp, soapy cloth. We also advise

dusting often using a clean, soft, dry and lint-free cloth. All

spills, including corrosive liquids and make-up should be wiped off

immediately without the use of bleach products, scouring pads or

multi-surface cleaners. Avoid leaving water to lie on the surface

as our bathroom vanity units are water-resistant but not

waterproof.
