Emerson Dining Chair, Boucle, Kelp, US

\$1,995 Regular price

\$1,696 Member price

Carved from solid oak, the softly angular frame of this chair is formed from an arched, cut-out back panel curving around the silhouette to form two front armrests.

Inspired by the cool tones of Soho House Copenhagen, the seat, backrest and integrated arms of the Emerson dining chair are upholstered in wool boucle in the shade Kelp.
