Product details

Our Pietro six-drawer dresser has been crafted from an olive stained oak. A combination of decorative details elevate its pill-shaped design, from the Brazilian quartzite top and antique brass inlay to carved wooden accents.

Brazilian quartzite is distinguished by deep and earthy tones of brown, gold, peach and burnt orange, with cooler blue and grey hues. No two pieces of stone are the same, making for an entirely unique interiors piece in the home. This dresser also comes in a co-ordinating bedside table.
