'VASE COMPOSITION XI'22' by Milena Paladino

\$2,511 Regular price

\$2,134 Member price

The artist uses a punch-needle technique to create this original still life fabric painting from alpaca and cotton yarn on a natural linen canvas.

About the artist

Now based in Reggio Calabria, Polish artist Milena Paladino specialises in still life, showcasing delicate, simple compositions in her work. After a long search to find the right medium for her creativity, the artist began creating textile works, which adds a sensory aspect to her art.
