'Two women in green' by Barbara Kuebel

\$3,750 Regular price

\$3,188 Member price

Starting out as a plant still life, this abstract expressionist painting transformed into a nude of two figures standing, in the artist's words, like trees.

About the artist

Austrian artist Barbara Kuebel has shown her work extensively throughout Europe and the US. Inspired by 'awkward social interactions', she creates abstract expressionist figurative portraits rendered as life-sized woodworks that she carves by hand.
