'The Moon' by Jessica Matier

\$4,505 Regular price

\$3,829 Member price

An exploration of how our creations are influenced by the universe's rhythm, referencing the Tarot for inspiration.

About the artist

Graduating from New York's prestigious Parsons School of Design, Jessica Matier started out working with collage and watercolours. Since then, the artist has moved into mixed-media artworks, using a blend of psychology, religion and her own spirituality as inspiration.
