## 'Pretty in Pink' by Jack Paffett

\$1,750 Regular price

\$1,488 Member price

The artist adds layers of paint with varying finishes, from high-gloss to matt for this original abstract artwork, using oil bars for added texture.

### About the artist

Bristol-based Jack Paffett often uses his surroundings as a starting point for his artworks, before allowing them to become mutated by spontaneous impulses on the canvas. Over-painted, erased and then reworked, his abstract pieces always show remnants of the layers that came before.
