'Pond Life' by Jack Paffett

\$1,063 Regular price

\$904 Member price

Thin layers of oil and acrylic paint create a matte finish in sections of this original artwork, while thicker layers of paint in other areas give a high-gloss look.

About the artist

Bristol-based Jack Paffett often uses his surroundings as a starting point for his artworks, before allowing them to become mutated by spontaneous impulses on the canvas. Over-painted, erased and then reworked, his abstract pieces always show remnants of the layers that came before.

Dimensions

Dimensions: H20 x W20 x D4cm / H7.9 x W7.9 x D1.6"

Weight: 1kg / 2.2lbs
