## 'Lullaby' by Jack Paffett

\$1,188 Regular price

\$1,010 Member price

The artist applies layers of oil and acrylic paint to the canvas in varying degrees to create a mixed matte and high-gloss finish.

### About the artist

Bristol-based Jack Paffett often uses his surroundings as a starting point for his artworks, before allowing them to become mutated by spontaneous impulses on the canvas. Over-painted, erased and then reworked, his abstract pieces always show remnants of the layers that came before.
