'Gladioli' by Laura Cramer

\$2,813 Regular price

\$2,391 Member price

An original acrylic painting inspired by the magenta petals on a cluster of pink gladioli in the artist's garden.

About the artist

The memories of tall grasses, bracken and birdsong from a childhood on the Irish coast leads Laura Cramer to seek out English vineyards and woodland walks from her current home in Bristol. With an aim to "paint freely", she works in layers with a "childlike spontaneity".
